# ABOUT US

"Mangal Saffron: The Essence of Purity, Authenticity, and Unmatched Quality"

In the heart of the lush, vibrant crocus fields, where the crimson stigmas bloom with an unparalleled grace, Mangal Saffron emerges as the epitome of purity, authenticity, and supreme quality. Our brand is a testament to the timeless tradition of saffron cultivation, embodying the rich heritage and meticulous care that go into harvesting each precious strand.

At Mangal Saffron, we pride ourselves on our commitment to excellence. Our saffron is handpicked with precision, ensuring that only the finest stigmas are selected at the peak of their bloom. This meticulous process guarantees the highest levels of crocin, safranal, and picrocrocin, delivering an aroma, flavor, and coloring strength that is unmatched in the culinary world.

Our saffron undergoes rigorous quality control measures, certified by independent laboratories, to affirm its purity and potency. We ensure that our saffron is free from any additives or artificial colors, preserving its natural essence and making it a trusted choice for chefs, culinary enthusiasts, and households alike.

Embrace the gold standard of saffron with Mangal Saffron, where every strand tells a story of purity, authenticity, and an unwavering dedication to quality.

**MANGAL SAFFRON  
PETALS**

MANGAL Saffron offers the finest saffron and a natural product and hand-harvested.

[www.mangalsaffron.com](http://www.mangalsaffron.com)

## Saffron Petals

Saffron is the name for the threads (stigmas) from the *Crocus Sativus* flower. There are only 3 saffron stigmas for each flower, meaning Saffron is considered one of the rarest spices in the world! It takes over 80,000 blossoms or 240,000 hand-picked saffron stigmas to make a single pound of this popular product.

At MANGAL Saffron we ensure consistent premium quality batches in every single gram of our Premium Kesar (Saffron).

**Improves Eye Health**

**Increases Focus**

**Prevent Cancer**

# BEST PRACTICES FOR USING MANGAL SAFFRON

[www.mangalsaffron.com](http://www.mangalsaffron.com)

## SOAK IN WATER

**Mild Infusion:** For a delicate saffron flavor in milk, soak a few strands in a tablespoon of warm milk for about 15-30 minutes.

**Balanced Flavor:** Remember, a little goes a long way. Around 3-4 strands are enough for a cup of milk.

**Soak few Saffron Strands**

**Stir it well**

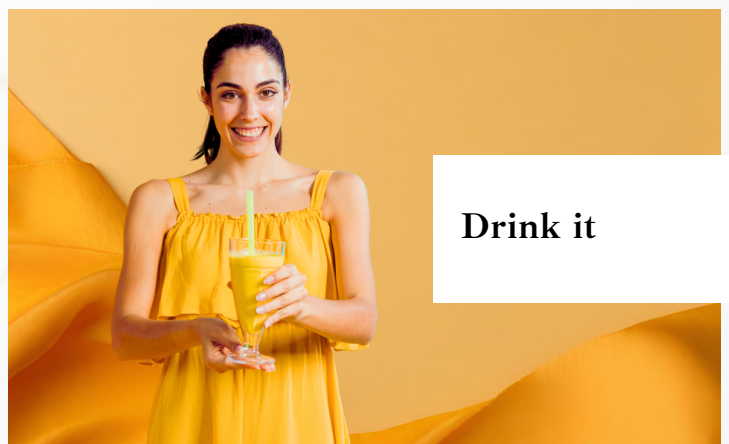

## STIR WELL

**Gentle Stirring:** Stir the infused saffron milk gently into your beverage to evenly distribute the flavor and color.

## ENJOY YOUR HEALTH

**Serving Time:** Saffron milk is best enjoyed warm. Serve it as a comforting nightcap or a luxurious addition to your morning routine.

**Creative Additions:** Enhance your saffron-infused milk with a dash of honey, cardamom, or a sprinkle of crushed nuts for an extra layer of flavor.

**Drink it**

**START YOUR DAY WITH MANGAL SAFFRON**

# Certificates of TRUST

---

Hazard Analysis and Critical Control Points (HACCP) certification instantly demonstrates to customers your commitment to producing or trading in safe food.

---

ISO certification is a seal of approval from a third party body that a company runs to one of the international standards developed and published by the International Organization for Standardization (ISO).

---

FSSAI stands for Food Safety and Standards Authority of India.

---

An Importer-Exporter Code (IEC) is a key business identification number which is mandatory for export from India or Import to India.

---

GMP full form Good Manufacturing Practice is a system for insuring the product. Many countries have formulated their own requirement for GMP based on WHO.
